I just got home to find my lazy-ass boyfriend sitting on the sofa again. I've begged him to get off his ass and do something. I thought of a way to get him off the couch – just fuck him. That's not a good idea, you may say, but I think it's a perfect solution. I see it like this... If I can get him excited by flashing my boobs, he'll want to have sex.

OUR MAIL OVERFLOWETH

GUMMY GIRL

This letter does not deal with my wife, but with a chick I knew sexually for almost 10 years. Throughout that entire period I was continually amazed at how sexually exciting I found her to be. We were both married, and in all honesty we were only looking for sexual diversion that was satisfactory to each of us. The longevity of that relationship tells more than anything else about how satisfying it was.

It all started when I was a DJ at a small radio station in southern California. One of my tasks was to run a classified page on the air, in which people called in to sell personal items. Everything from cars to chickens was offered in that popular half-hour show.

I had been doing it for about five or six weeks when one day I answered the phone and heard a very unsexy, extremely country-sounding voice telling my listeners that she had a box full of hardcore porn magazines to sell or trade. At first I was stunned, but since she didn't say anything dirty (although an argument might be made as to the subject matter) I kept her on the air and she gave her phone number for all to hear.

I was worried for the rest of the day, but to my surprise we received no irate phone calls from our listeners. As a result I thought nothing of putting her on the air again the next day, and almost every day for several weeks. I must quickly explain that it didn't take me long to discover what she really had in mind. After the third call I made a note of the phone number and dialed it that afternoon. I told her I was interested in buying some magazines and asked what subjects they were.

Now remember, I hadn't even seen this woman yet but I found myself becoming sexually aroused while listening to her talk about oral and anal sex, and other forms of erotica. She ended her sales pitch by telling me I could see

Maggies Melons...

Boobs are my thing and the bigger they are, the better. And your newest covergirl, Maggie {Greene} is right up my alley. I drooled over every page of hers, as well as all the other well-endowed ladies in the issue. But Maggie's melons are the kind I like to bury my face between and motorboat (brrrrbrrrr). They are all natural and their softness is perfect for the sound waves from my mouth to vibrate her boobies. Fake boobs do not respond the same way, but I wouldn't pass on the chance to do it to them, too. Bet you can't guess where most of my cum has ended up?

— Booby Bob, Boston

them for myself, and told me where she lived. You can be it didn't take me long to drive to her house, even though it was well out in the country.

When I arrived she was out in the front yard waiting to meet me, and I felt an immediate stirring in my loins. It wasn't because she was so good looking; quite the opposite. She was rather plain looking. She was on the tall, thin side, with short unruly hair. What got to me was what she was wearing. She had on a halter and the shortest shorts I have ever seen, with more of her perfectly rounded ass cheeks out of them than in them. My cock was already hard as she ushered me into the house and presented her box of magazines. She brought me a beer as I looked over the titles and glanced over them.

We were sitting on the couch with the box of mags between us, when the front door opened and a kid of about 4 or 5 ran in and asked for something to eat. As the front door slammed shut, I heard a baby begin to cry in the back bedroom. The sight and sounds of kids made my heart sink and all thoughts of sex sank with it.

Apparently the woman (let's call her Bobbi) knew what I was thinking. As soon as she had fed the kid and sent him back out to play and had changed the baby's

Her body was jerking so hard I had to grab her by the hips to keep from losing contact with her pussy. Her fingers were entwined in my hair...

diaper, she returned to me. Standing in front of the sofa, with the barely covered mound of her pussy just inches from my nose, she asked me if I ever did anything other than read about sex.

I felt like I was about to choke to death. My eyes were riveted to the mound under her shorts, so I just nodded my head and pushed my nose into her crotch. I'm sure we set a speed record for crossing from couch to bedroom door, discarding clothes as we went. I hit the bed first, and as I rolled over my eyes lit on her snatch. For the first time in my life I was seeing a beautiful bald beauty. Bobbi just stood there at the foot of the bed and let me look at her nude body.

I'm sure she could tell from the fire in my eyes that I appreciated what I was seeing. She had pearshaped tits, full with just a hint of sag at the bottom but tilting up and out to swollen, erect nipples. Her rib cage was pronounced, swooping down to a thin waist that contained a smooth, soft mound of underbelly and flared out to tight, smoothly rounded hips that led to full thighs, all surrounding that beautiful shaved snatch. From her neck to her knees, this girl was a knockout. She fell into my arms and our lips met in a hot, wet kiss. Her tongue thrust into my mouth and I sucked it in deeply, almost pulling it out of her mouth. Her tongue retreated, followed by mine, which she almost sucked right out of my mouth.

Her hands seemed to be everywhere, rubbing my chest, squeezing my ass; pulling at my cock, and I tried to match her by rubbing and squeezing and probing. I kissed her eyes, her cheeks, and her chin and licked my way down to her hard nipples. I captured one, then the other, sucking them between my lips and stimulating the tips with my fast-moving tongue. As I worked on her nipples, her hands were doing strange things to my cock—skinning the uncircumcised foreskin back and forth over the head and at the same time scratching lightly underneath. Her other hand was over my back and it could just barely reach the crack of my ass with one tracing finger.

I was about to explode. My cock was throbbing wildly with a need for relief and my desire to taste that hairless pussy was too great. I left her tits and traced my way down to her navel, stopping only long enough to probe it with my tongue, then moving down to the crease between her thighs and belly and on to a spot between her legs. I continued to trace the crease to just below her pussy. I

spread the swollen lips of her pussy with my thumbs, and rolling my tongue into a point I started an upward swing from just at her asshole and into her slot, with my nose leading the way. I could feel the slick walls of her pussy grab at my tongue as I probed as deeply as I could on my way up to her clitoris.

When I reached my target I sucked it between my lips and discovered I had captured more than an inch of

smooth, throbbing flesh in my mouth. I had been sucking pussy since I was a young man and had long since lost count of numbers, but I was quick to realize that I was being rewarded with the longest clit I had ever encountered.

As I brought my tongue to action with fast flicking licks, her entire body began to tremble. Her body was jerking so hard I had to grab her by the hips to keep from losing contact with her pussy. Her fingers were entwined in my hair and she thrust her lips hard against my mouth. I had to believe that either her husband had never eaten her out or he didn't know how to do it properly, because this chick was in heaven. I have no way of knowing how many orgasms she had because her body continued to jerk as if she was having a conniption.

I have never been one to look at a watch when I start to eat or fuck. All I know is that I sucked that bare cunt until my jaws ached. I sucked her swollen labia, munching, sucking and licking. I probed within her pussy as deep as I could and licked her asshole and sucked her clit. All the while her body continued to jerk as she moaned in ecstasy.

When I finally pulled away, reluctantly, from her tasty pussy because my aching jaws were about to lock on me,

She told me I had made her feel better than any guy had ever done before in her life and she was going to try to do the same for me.

her body convulsed for several seconds before she finally relaxed and looked up at me and offered her lips for a kiss.

We lay together for a few moments to recover from our sexual high. When she sat up and moved away from me, I discovered another thing about her: She was a great ego trip for a man. She told me I had made her feel better than any guy had ever done before in her life and she was going to try to do the same for me. With that she turned her back to me and put her hand to her mouth.

When she turned around she had a set of upper dentures in her hand, which she placed on the bedside table while trying to keep her half-gummed mouth out of sight. I must admit that at first it was a bit of a shock to me, but as her mouth engulfed my throbbing cock the shock subsided and was replaced by the most intensely pleasant sexual feeling I had ever known.

I can only describe the feeling as being the hottest, softest and most active sensation I have ever experienced. It was like putting your cock in a pussy with a mind of its own. I am not exactly hung like a horse so it was no problem for her to deep-throat me—which is a great feeling in itself—but the other things her mouth was doing to my dick were almost indescribable. As the head entered the tight and restricting confines of her throat, her tongue would nestle under my shaft, her upper gums would grip the top and her cheeks would fold in, surrounding my cock with soft hot pleasure.

As she slowly withdrew, her toothless gums would nibble the entire length of my dick, until only the head remained where her tongue would then begin to swirl and roll around it and probe at the slit at the top. Her head would then begin its descent and the whole action would begin again.

All my life, until recently when I put a little age on my libido, I have prided myself on being able to hold off an ejaculation for a great length of time, in order to either enjoy or offer enjoyment longer. But that was not to be the case on this day.

All it took were five or six trips up and down my cock for this fantastic mouth to bring me to a shattering orgasm that spread throughout my body in shock waves of pleasure. As I erupted in her mouth, the cavern closed about me and little sucking actions drained me to the core.

We later fucked and I discovered that her pussy was

almost as good as her mouth, with slick grasping walls that pulled and sucked at me on every stroke. This was from a woman who, I found out later, had borne five children.

In the 10 years that followed we were able to get together almost once a week, with the exception of a year when I took a job at a radio station in Detroit. She sent me on my way to the Motor City with the memory of her tight virgin asshole. The day before I left, we met for the final time.

She was having her monthly curse at the time. Always

in the past she had taken care of my needs with that fantastic mouth and cunt, but this time she said she wanted to give me something that nobody—including her husband—had ever had. She explained what that was by crawling on the bed on her hands and knees and spreading the cheeks of her lush ass for my entry.

It has been 5 years now since I last held her in my arms. Perhaps it's for the best; because I'm sure I could no longer do justice to such a magnificent sexual piece as she turned out to be. But I do have some absolutely astounding memories.

—Walt S., Sacramento, CA

Cockpit Cunts

As a college professor, she had opted to spend her sabbatical abroad, and alone. I had protested her going without me, but she was adamant.

The 737 descended rapidly, touching down for a perfect landing. Safe, I thought with relief. Jane is safe.

Standing there in the concourse, I regarded the phallic-shaped jet through floor to ceiling glass. The fuselage resembled a giant dildo. I thought about the toy Jane had packed to help her endure the lonely nights; my girlfriend had been away for a whopping six months.

As a college professor, she had opted to spend her sabbatical abroad, and alone. I had protested her going without me, but she was adamant. "You'll distract me from my work," Jane had told me, "and I really need to finish this book."

I had grudgingly accepted her position. The book meant a lot to her, personally and professionally; and in all likelihood my presence would have prevented her from making serious headway on the final draft. For the duration of her absence we had communicated sparsely; this had been Jane's idea as she required as much isolation as possible when working on a manuscript.

Staying faithful had been a real challenge. Six months was a hell of a long time. Still, I had shown remarkable self control, successfully managing my libido with cold showers and a robust masturbatory regimen.

Passengers began to disembark. Searching the strange faces for my girlfriend's, I became increasingly concerned. Jane had made the flight, I knew. Upon boarding she had sent me a brief text message to this effect.

The crowd thinned to almost nothing.

Still, no sign of Jane.

I approached the redheaded flight attendant at the gate. "Excuse me," I said, "but my girlfriend is supposed to be on this

plane . . ."

She regarded me doubtfully. "I believe that's everybody."

"Impossible," I said. "Could you check?"

"Wait one moment," she said.

I waited while she searched the plane. It seemed to take forever. My patience wearing thin, I decided to board the craft and look for myself.

The passenger cabin was a bust. I stood there staring dumbly at empty seats. Thinking my girlfriend might be in the bathroom, I even searched there. But the bathroom was empty.

That left the cockpit . . .

I returned to the front of the plane to be greeted by the redheaded flight attendant.

"You're not allowed on the aircraft, sir. I'm afraid you'll have to leave—"

"Not without my girlfriend," I said.

Disregarding her halting gesture, I made haste for the closed cockpit door. I

half-expected it to be locked. In retrospect, I wish it had been . . .

The tableau which greeted me was nothing if not tawdry.

That I had found my girlfriend was of little comfort. As for the pilot and co-pilot—well, they were having themselves a grand old time. Jane was making damned sure of that. Boy was she ever!

Mouth agape, I froze in the doorway—unnoticed as of yet—and watched as Jane sucked the co-pilot's cock. Kneeling before the aviator, she pumped her head frenziedly. Meanwhile, the pilot remained in the captain's chair. His pants down around his ankles and enjoyed the show.

I was speechless. At least until Jane ceased giving head and proceed to climb aboard the captain's lap.

"That's enough, Jane!"

She turned to face me, her face drained of all color. The pilot and co-pilot looked shocked and shamed; caught with their pants down, quite literally. Jane scarcely had time to pull up her panties and straighten her skirt before I grabbed her hand and made for the cabin, where I gave the conspiring flight attendant a venomous stare.

"Thanks for nothing," I told her. "You're a real credit to your profession."

Jane apologized all the way home. "I couldn't help myself," she explained. "No sex for six months damned near killed me. And those pilots were so cute . . ."

"Let me get this straight." I gripped the wheel tightly. "You hang around after everybody has gotten off the plane just so you can seduce the aircrew? Jeez, Jane, you were practically home. Couldn't you have waited until we got back to the house?"

She had no response. Clearly my girlfriend was a hopeless nympho.

As soon we got home she resumed work on her book. Stiff drink in hand, I stood at the closed door of her study and listened to the rapid fire tapping of her fingers on the keyboard.

Unbelievable!

She'd been on sabbatical for six months, doing nothing but writing, and now she was back at it. Having a scribe for a girlfriend is the worst.

I worked on my drink and thought about the red-headed flight attendant. She was a conspirator, sure, but a damned good looking one. Perhaps I had been a bit harsh with my parting comment. An apology was in order, an apology and a drink at the airport bar.

I downed my drink and grabbed my keys.

If I hurried I just might catch her.

I didn't find the redhead at the airport bar. I did, however, strike up a conversation with the bartender. Wiping the countertop with a damp rag, he nodded and smiled as I described the flight attendant.

"Kelly," he said. "You just missed her."

"Do you know where she went?"

He regarded me with skepticism. "Look, pal, you seem like a nice guy and all but—"

I plucked a twenty from my wallet and laid it beside his rag. Not getting the response I had hoped for, I added a second Andrew Jackson to the mix.

"I'm harmless," I told the bartender.

He stuffed the money in the pocket of his apron and spilled the beans.

It was a characterless hotel chain within walking distance of the airport. Still, I claimed my car from the visitor parking area and drove on over.

I found her in the lobby. Standing at the desk with her luggage, she was in the process of checking in. I waited until she had finished her business then followed her to the elevator.

"Layover, huh?" I said.

Recognition dawned on her face. She didn't seem happy to see me.

"I came to apologize," I told her.

"I'm the one who should be apologizing," she replied. "What can I say? Captain's orders. I didn't want to lose my job . . ."

"I figured as much," I said.

The elevator door opened. We had the car to ourselves. She pushed the button for the fourth and top floor.

"It's not your fault," I added. "You were just covering for your boss . . ."

"Yeah, well, I'm still sorry."

We reached her floor.

"This is where I get off," she said, rolling her bag into the carpeted hallway. "How did you find me, anyway?"

I held the elevator door open with my foot. "I have my ways . . ."

She searched my face. Apparently she found something to her liking. "Join me for a drink?"

"I'd be delighted, Kelly."

I had the little plastic bin filled with ice by the time a freshly showered Kelly emerged from the bathroom in a black short robe.

She retrieved a pint of gin and a quart-sized bottle of tonic water from her luggage. I was impressed. Hell, she had even packed a lime and a pairing knife.

"You've done this before," I said.

"Too many times," she replied, adding that she would be leaving first thing in the morning for another day of flight attendant fun. "Customer service," she said, "at twenty thousand feet . . ."

I mixed the drinks, making both gin and tonics on the stiff side. Her pairing knife was dull. She lay on the bed with her head propped on a pillow. I sat at the small circular table beside the curtained window.

We drank in silence. I couldn't help staring at her legs. Hers were nice legs.

"I'll bet you're good at your job," I said.

"I'm good at a lot of things."

She wasn't kidding.

A physician friend of mine once told me that all nurses are sluts. I don't know if that's true, nor do I know if all flight attendants are sluts. But Kelly definitely was. And I couldn't have been more pleased.

Having discarded her robe, she joined me by the window. Crouching on her haunches, she liberated my cock with nimble fingers.

"Nice," she said. "So hard . . ."

Kelly gave marvelous head. She brushed my shaft with her tongue several times before devouring me in earnest. Sitting there, I watched the top of her head, wet and redolent of shampoo, bob jerkily in my lap.

I sighed dreamily when she commenced to servicing my balls. Pumping my shaft with her hand, she licked and lapped and sucked my nuts. Then she dropped her other hand between her thighs and played with herself, rubbing her pussy in preparation for my cock.

At least that's what I hoped.

I was dying to fuck her good and proper . . .

Imagine my smile when Kelly came up for a breather and said, "Let's get these pants all the way off. My pussy

needs this big fat dick . . ."

No sooner had my pants hit the floor than we moved to the bed. A supine Kelly spread her legs. She sported a neatly trimmed ginger landing strip.

Oh, the irony!

I positioned myself between her legs and guided my prick home. She gasped when I entered her, gasped and raised her knees to receive me. I hunched forward and proceeded to fuck her with slow yet deep thrusts.

Kelly's was a tight pussy.

She clenched my boner, prompting me to up the pace. It wasn't long before I was banging her with everything I had. Her lovely tits bounced in tandem with my jabbing pelvis. A mesmerizing sight, for sure, those lightly freckled slopes capped with turgid pink nipples.

Kelly urged me to do her doggy style, so I withdrew, my cock dripping pussy juice as I watched her flip over on all fours. Her ass was white and skinny and beautiful. I held her trim hips and pushed inside her.

"Oh, yeah," Kelly uttered. "Stick it in there, baby. Make my pussy come . . ."

I drilled her hot hole with a frenzied humping motion, delighting in the lewd sounds of our slapping bodies. Flesh on flesh, I thought with mounting excitement, watching my dick slide between her juicy cunt lips.

I don't know if I made Kelly come. It's hard to tell with some women. But she surely gifted me one hell of an orgasm. I pulled out and coated her tight little bum with cum, lots of cum, a veritable bucket load of the stuff.

Kelly took another shower. I got dressed and drove home. When I got there the study door was closed. Jane was still hard at work. For the second time that day I listened to the tapping of her keyboard.

But this time it was different.

This time I didn't give a flying fuck!
